

# Getting started

Using moneycorp for your currency exchange and international transfer needs is quick and easy. Simply sign up with a free account and our FX specialists will take care of the rest.

## Key benefits

**Bank-beating exchange rates** - Save thousands by receiving highly competitive exchange rates.

**One-time or recurring payments** - Make a single payment or conveniently set automated payments either online or over the phone.

**Target a rate** - Book your exchange when the market reaches the rate you've pre-selected.

**Fix a rate** - Lock the current exchange rate for up to two years.

**Free expert guidance** - Contact our FX specialists to identify ideal trade times, making your money go further.

**Safeguarded customer funds** - moneycorp is authorized and regulated as a money services business and is a licensed and bonded money transmitter where required.

## How it works in 5 simple steps.

moneycorp US Inc. is a Rhode Island corporation (#000115949) and is federally registered as a money services business with the Financial Crimes Enforcement Network ("FinCen"), and maintains Money Transmitter Licences.
